INTERACT

cc: district governor, district Interact chair

Dear sponsor club president, secretary and executive secretary:

[An Interact club sponsored by your club is suspended because you have not submitted updated adult contact information to Rotary International for a two-year period.](#) According to the Standard Interact Club Constitution, to maintain active certified status from RI, all Interact clubs must provide the name and contact information of an adult adviser to the club to RI each year.

A screenshot of the 'Report Your Interact Club Advisor' form on the my.rotary.org website. The page has a dark blue header with the Rotary logo and navigation links: 'Exchange Ideas', 'Take Action', 'Learning & Reference', 'Manage', and 'The Rotary Foundation'. Below the header, there is a breadcrumb trail: 'Home | Report Your Interact Club Advisor'. The main content area is titled 'Report Your Interact Club Advisor' in a large, bold, dark blue font. Below the title, there is a paragraph of text explaining the reporting requirement: 'Every year your Interact club is required to report an advisor by 30 June. Advisors can be a member of the sponsoring Rotary club, a school administrator or faculty member, or community volunteer to serve as an adult contact to the Interact club.' This is followed by an important note: 'Important: This form should only be used by interact clubs with active/suspended status with Rotary International. To verify the status, official name, and club ID of your Interact club, download your listing of club-sponsored organizations, accessible to all Rotarians in Rotary Club Central.' The form itself is divided into two sections: 'Interact Club Information' and 'Interact Club Advisor Information'. The 'Interact Club Information' section contains three fields: 'Interact club name *' (a text input field), 'Interact club ID *' (a text input field), and 'Rotary year *' (a dropdown menu with '- Select -' selected). The 'Interact Club Advisor Information' section contains one field: 'First name *' (a text input field). On the right side of the page, there is a partial view of a sidebar with a 'WH' header and a Facebook icon.
