# Fall Food Drive

Attention Interact Students, Club Sponsors,  
Rotarians, and Parents.

The District Youth Services Team is rolling out the first of a series of contests to help kick start some Interact community service projects across our District. Participation in these contests isn't required, but this can be a fun way to engage your community and compete for cash prizes. Our first event is a Fall Food Drive for the month of November. The club that collects the most items per Interact student and donates those items to a local food pantry or nonprofit will win a Visa gift card for \$150 and the sponsoring teacher will receive a gift card for \$50.
