

The Interact Times

2020

Hello Fellow Rotarians, I hope everyone is doing well and weathering the storm of 2020. The District Interact team has a goal of supporting existing and new interact clubs, streamlining communications, and making sure that we're doing everything possible to support the next generation of Rotarians. We will continue to explore the world of virtual meetings, digital communications, and new opportunities to express our *Service about Self* spirit. Historically we've had a Fall Assembly and Spring Conference to help support our Interact clubs along with college

scholarships. I'm not certain what the future will hold for those events, but at the least we will still encourage our Interact clubs to connect virtually and continue to work on community projects. Your commitment to our Interact clubs is needed more than ever as these students navigate this changing environment. Through your support we will still be able to offer college scholarships to be awarded in the Spring of 2021.

All the Best,
Youth Services Team
